# Angel's Assisted Living Touch

*"& then the sun took a step back, the leaves lulled themselves to sleep & Autumn was awaked." - Raquel Franko*

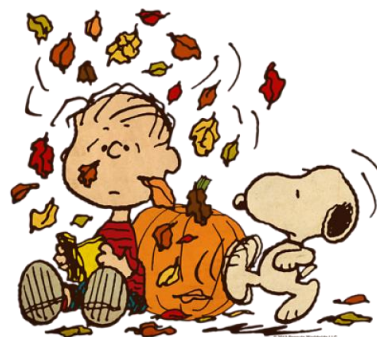

*Did you know?* In 1902, American President Theodore Roosevelt refused to shoot a bear cub while hunting in Mississippi. The incident made national news. Clifford Berryman published a cartoon of the event in the Washington Post on November 16th, 1902, and the caricature became an instant classic.

## Resident of the month

Phyllis Euphrasia De Prey

Our resident of the month of September is Phyllis! Phyllis was born May 13<sup>th</sup>. She's definitely a natural born Packer Fan with a sweet tooth. Irish Setters and horses were her favorite animals; horseback riding was one of her hobbies. Her pride and joy was a Ford Mustang Convertible. Phyllis had other hobbies too though, she enjoyed golfing, playing musical instruments like the harmonica and the guitar. She can watch Charlie Brown all day, Snoopy always puts a smile on her face just like she'll put a smile on yours.

Below a painting of the store that belonged to her family, De Prey's in Bellevue.
