November 28

Bread for Breaking and Baking

This November, there are a variety of holidays that encourage the gathering of families and friends: Día de Muertos in Mexico, Diwali in India, Thanksgiving in the United States, Saint Andrew's Day in Scotland, and many others. These holidays offer the perfect opportunity to "break bread" with loved ones. While many will literally be breaking bread at their feast tables, the expression "break bread together" denotes sharing more than just food, but also feelings of love, trust, and togetherness.

Many believe that the phrase "breaking bread" originated in the New Testament of the Bible, where Jesus broke bread and shared it with his apostles during the Last Supper. It was this Scriptural sharing of bread that provides the basis for the Eucharist, or "Holy Communion." However, the ritual breaking of bread dates back to before the Last Supper and has a long Jewish history, a history with which Jesus, as a Jew, was familiar. The Jewish ritual of Shabbat involves breaking bread. Indeed, according to laws given to Moses by God, 12 breads were supposed to be placed in the Tabernacle each Sabbath. It is from these Jewish traditions that we get the expression "breaking bread."

As luck would have it, Homemade Bread Day falls on November 17, offering a chance for novice and expert bakers alike to try baking their own bread. When we think of bread, we mostly think of yeast breads, which must be allowed to rise and rest before baking. Quick breads, on the other hand, rise with the help of leavening agents like baking powder or baking soda, so there is no need to wait for the yeast to work. Regardless of your leaven, baking homemade bread fills the house with wonderful smells that are bound to attract a crowd. Challah is the traditional Jewish Sabbath loaf, a portion of which was separated as a gift for the *kohanim*, or priests. A yeast bread with honey-sweetened and egg-enriched dough, challah makes a light, tender loaf that is golden brown. The braided loaf looks like intertwined arms, symbolizing love or the interlocked principles of peace, truth, and justice. Its 12 humps recall the 12 ritual breads meant for the Tabernacle and the 12 tribes of Israel. With such a storied history, it is easy to see how sharing bread has come to symbolize a nourishing meal for both the body and the spirit.

The Queen of Queens

On November 17, 1558, Queen Mary I died, and her 25-year-old half-sister Elizabeth ascended the throne to become Queen Elizabeth I. Queen Mary was Catholic and had spent much of her reign trying to restore the supremacy of the Pope to England. Upon her death, Queen Elizabeth I, a Protestant, was heartily welcomed by lords and laypersons alike. Queen Elizabeth's reign was

one of peace and prosperity and has been called by historians both the "English Renaissance" and England's "Golden Age." Indeed, the period of Queen Elizabeth's reign is known in history books as the Elizabethan Era.

Much of England's prosperity was due to trade across the Atlantic, especially the slave trade. This new wealth combined with a strong government and the establishment of a religious doctrine known as the Elizabethan Religious Settlement (which made Protestantism the law of the land) created stability that allowed England to flourish. Perhaps the era's most notable achievements were in literature, poetry, and drama, led by writers William Shakespeare, Christopher Marlowe, and Ben Jonson. The court of Elizabeth watched the same plays as the commoners, and so drama became a unifying art form for the country.

While England remained unified at home, it expanded its interests abroad. Queen Elizabeth's favorite explorer was Sir Francis Drake, a sea captain who turned pirate at the queen's behest, raiding rivals from Spain and France. When Drake returned to England after his circumnavigation of the globe in 1580, he was celebrated as a national hero and as a symbol of England's power. Queen Elizabeth never married, which led commoners to nickname her the "Virgin Queen," and also helped her consolidate her power. She was celebrated and idealized in poetry, portraiture, and pageantry. Even today, she remains an icon of majesty and perfection, and her continued worship is known as the cult of Queen Elizabeth.

November Birthdays

In astrology, those born November 1–22 are the scorpions of Scorpio. Scorpions are passionate and assertive, yet they are also known to keep cool and calm. This composure makes them good, steadfast leaders and loyal and honest friends. Those born between November 23–30 are centaur archers of Sagittarius. Archers are curious, energetic, and enjoy change, the restless travelers of the zodiac. They are funny and enthusiastic, cherishing freedom as their greatest treasure.

Resident Birthdays

Boots J. – November 1

John V. – November 7

Lavon – November 10

Carol – November 12

Dennis – November 16

Jim – November 18

From the Activity Directors Desk

In honor of Alzheimer's Disease we will be wearing purple every Friday for the month of November!

For Veterans Day this year we are having Veterans come in to visit the Veterans at the facility. This will be on November 11th at 1:00 PM. We will be traveling to all three buildings at some point. They will be handing out thank you bags to all the Veterans when they visit.

We are eager to announce the date for our annual **Holiday Party!** It will be held on **December 4th, 2019.** Our seating times will be at 4:30pm and 6:00pm. **Reservations are required and need to be in by November 20th.** To make a reservation you can call or text Kassie at (920) 412-6224 or by email at kassie@angelstouchcbrf.com
